ALL FACULTY, STUDENTS AND STAFF are personally invited to participate in the Day of Prayer activities this Thursday, beginning at 8:30 a.m. Our special guests for the occasion include several representatives of the Christian World Liberation Front from Berkeley (USA). Segments of the morning will also include special music, a film illustrating the "Movement," and a Communion service. We trust that everyone is planning to be present for this most significant time together. DTS

Dr. Stanley Gryde, one of the leading authorities on audio-tutorial systems, will be speaking to the Innovations in C.E. class on the latest developments in self-instruction programs using multi-media, with special emphasis on experiments in the use of Biblical materials. Anyone interested may attend the session meeting on Wednesday, Jan. 12, 1:10 p.m. in Room 302. CEL

Starting this week, each Wednesday morning from 7:30 to 8:00 in the student lounge, the brothers and sisters of Fuller will be gathering to praise the Lord together in song! Everyone is invited, so eat breakfast early and come join us. DRM

Our food service operations will be aided by avoiding the occasional or casual "visits" with the kitchen crew. Their time is limited and they are faced with three deadlines every day. RDC

The Rev. Warren Ost, director of A Christian Ministry in the National Parks, will be on campus this morning (Tuesday) following chapel and will be interviewing students interested in such a ministry. He will also be showing slides in the chapel at 12:30. If at all interested, see Mr. Ost, or contact Jack Irwin or George Hanke. GH

CALIFORNIA WITHHOLDING TAX. Seminary employees subject to Federal Withholding Tax should anticipate possible withholding for California income tax inaugurated January 1, 1972.

He will be available from 9:00 to 10:45 a.m. at a table set up outside the southwest corner of the chapel. Those who would like to register but are not able to do so during this time period can leave a note for Rick Beal (box 133) and other arrangements will be made. RB
